

# Women With a Plan

Are you ready to start your new journey? Are you a caregiver, wife, partner, loved one to someone who is currently incarcerated?

Women With a Plan is designed to support any women who have been affected by the criminal legal system.

**Women With a Plan is available for New York City residents only.**

## ***This program will include:***

- Case management that will assist you with your goals you want to achieve.
- Family Service Specialist who will help in the reintegration back into the workforce or provide resources to help reach any educational goals.
- Self-care kit to assist you with the essentials you may need for your journey.
- Automatic enrollment in our monthly support group *VIP/Connections* where you will sit in on great topics on empowerment, health, self-care, goals, etc. This is a chance to join a powerful community of others who share similar experiences.
- Access to our Women Clothing Closet to prepare you for upcoming interviews, appointments, or the necessities for everyday wear.
- Will provide community referrals as needed.
