

Family Visiting Program

Osborne Association presents the Family Visiting Program at Otis Bantum Correctional Center. Our program offers a range of opportunities to incarcerated fathers which include in-person and virtual visiting support, assistance maintaining caregiver-child relationships, community referrals, and programming.

Rikers-based Services

- Individual supportive counseling and parenting support
- Assistance for family with video and in-person visits
- Advocacy with family court and/or child welfare cases
- Support family relationships and bonds during separation

Community-based Services

- Community referrals for family members and children
- Support groups
- Teen groups
- Recreational activities
- Child based services and supports

To enroll, please fill out the form.
