

NeON Works

The Osborne Association offers career development, and supports individuals from the South Bronx who are between the ages of 16-24 looking to explore career paths and make positive changes in their lives.

A highly individualized set of opportunities customized for each person's interests and work readiness. This opportunity is open to young adults on probation who live anywhere in the South Bronx area, and other neighborhood residents. Priority given to young adults, ages 16-24. There are no educational requirements.

Services & Trainings Include:

- Job readiness & career planning
- Employment and internship assistance
- Participation in community benefit projects & civic engagement
- HSE / TASC assistance
- Education and vocation referrals
- Support with HRA benefits
- Monthly workshops
- Activities to develop critical-thinking skills
- One-on-one case management

Current cohort & workshops are virtual.

Paid Internship opportunities are available!
