

LGBTQIA+ Case Management Program

Osborne Association
809 Westchester Avenue
Bronx, NY 14055

What is the LGBTQIA+ Program?

Osborne's LGBTQIA+ program provides case management services to LGBTQIA+ people who have, or at risk of, criminal legal involvement in New York City. Our program will work with you to identify and reach your goals and connect you to resources like healthcare, peer support, employment services, and more within a supportive community of case managers and peers.

What are the benefits of the LGBTQIA+ Program?

- Case Management.
- Referrals to legal assistance.
- Benefits and Entitlements counseling and enrollment
- Housing support.
- Connections to health care.
- Legal name change support.
- Substance use disorder/harm reduction treatment.
- Self-advocacy training.
- Referrals other services based on the individual's needs.

How to know if the LGBTQIA+ Program is right for you?

If you answer **YES** to any of the below, then you may be eligible for services with the Osborne LGBTQIA+ Program.

- Are you a person 18 years of age or older?
- Do you live in New York City or will upon release?
- Are you at risk of any contact with the criminal justice system?
